

Middle School Supply List 2023-2024

We hope everyone is having a wonderful summer. Here is our supply list for the new school year. Note that many of the outdoor learning items you likely have already. Please email Mel at Mel@kazooschool.org about any needs you might have with acquiring these items.

General Supplies:

- Laptop with internet access. As a note, WMU often has used computers for sale. You can contact them online or call and set up an appointment (269)387-8829. The WMU link is listed first and other options for affordable computers:
 - [Surplus Sales | Logistical Services](#)
 - [chromebook certified refurbished](#)
- Headphones
- Pencils, pens, pencil sharpener, erasers, sharpies in pencil case/bag
- Lined paper and graph paper if desired for binder
- Scissors
- Water Bottle
- ****Portable chair - this is essential, students will use their chair every day!** Labeled chairs can stay at school in our locked sheds. Standard height works best, as they will also use these at outdoor tables. Please contact the office if you need help with this item. Stores such as Meijer, Target, and Dicks usually have these in stock. Below is an example of an affordable option:
 - [Foldable Chair](#)
- Since we will be outdoors as much as possible, in all types of weather, please provide your student with appropriate gear. Sunhats, sunscreen, and bug spray will help keep everyone more comfortable and ready to learn on hot days. Raincoats, ponchos, and rain boots will keep everyone more comfortable and ready to learn during rainy weather. We also suggest that each child bring a change of clothes (including extra socks!) to keep at school. Please have your child label all items with their name.

NEW Binder System:

- This school year we have decided to use one binder to organize the students' papers all in one place. Here are some recommendations for the type of binder we believe would work the best for this system:

[Zipper binder](#) [Velcro binder with tabs](#) [Case-It](#)

Learning Community Wishlist:

- Class snacks (EX: pretzels, cheez-its, popcorn)
- Tissues

Science

- gardening gloves

Humanities

- Pack of dry erase markers (black or blue)

Math

- Scientific Calculator:
[Texas Instruments Ti-30X IIS Scientific Calculator](#)

Art:

- Mixed media sketchbook (any type of sketchbook that inspires the student. 8.5" x 11" or smaller is great. No larger than 9" x 12" please.)
- Micron pen pack (If not the whole pack then please sizes 8 or 5 will do!)
- Simple graphite pencils with eraser

Spanish/Languages:

- No need for additional Supplies. Please consider one space for spanish materials on the unified binder.

Please email should you have any questions.
